This Frenchville home has been extremely well looked after and is the perfect size to raise a family in. Step inside to this highset home to a rumpus room, 2 bay concreted carport with additional room for storage and a convenient second shower and toilet. The internal stairs lead you up to a large dining area with a huge kitchen with ample storage. The carpeted living room provides a cozy area for families looking to enjoy time together. Step out and greet the morning sun with a coffee into the sunroom at the front of the house, the perfect spot to sit back and relax with a book. The 3 bedrooms are all a generous size with built in wardrobes and new split system aircons throughout. Along with an additional office that could be used in a variety of way. With a uniquely designed bathroom featuring an original shower, toilet and vanity in one room and an extra vanity and bathtub in the next room over creating a convenient opportunity for young families that require a separate tub for kids. Outside presents beautifully with manicured gardens, a nice flat block, concreted patio area, garden shed and side access that can fit a caravan down through the added side gates.
