Large family home

Set on a double residential block totalling 3,176 sqm, this flood free home is ready for a new family.

Consisting of three upstairs bedrooms, all with built in robes, separate office, renovated bathroom, spacious living room, kitchen/dining, laundry with second toilet. The enclosed Queensland room features elevated views over the district from the front verandah.

Downstairs consists of another two bedrooms and second living space or games room, as well as ample storage room. Outside provides undercover parking at the entrance to the property, certified above ground swimming pool and a unique garden highlighting the natural surroundings.

Heating and cooling is a breeze with a reverse cycle split system and ducted evaporative cooling. Keeping the gardens thriving is easily achieved with both town and tank water connected.
