\$450,000

Nestled in one of Gladstone's most coveted neighborhoods, this exceptional property won't be on the market for long. Boasting 3 generously proportioned bedrooms, including the master suite boasts a private retreat that can easily be transformed into a fourth bedroom, this home is perfect for growing families. The highlight of the home is its expansive open-plan living area that seamlessly flows onto an expansive deck, ideal for hosting gatherings with ample space for both dining and lounging outdoors. Entertaining has never been this effortless or stylish. The kitchen is equally charming with its unique design, offering plenty of bench space and storage, making meal preparation a joy. Positioned on the prestigious Hunter Street, this property enjoys the convenience of being just steps away from cinemas, restaurants, and pubs, defining the epitome of urban lifestyle. Additionally, Gladstone High School and Gladstone West Primary School are within a short walking distance, ensuring utmost convenience for families. Don't miss out on this rare opportunity to own a home in such a prime location. Contact us today to arrange your private viewing.
