Welcome to 17 Magpie Court High Wycombe! This is a fabulous opportunity for anyone looking to be able to transition into a beautiful move-in-ready family home located in an idealistically peaceful cul-de sac neighbourhood. This home provides excellent side access for secure caravan, boat, or truck storage. Stepping into the home will delight even the fussiest with a full renovation having been recently completed. This fine residence now delivers all new flooring, fresh paint, new window treatments, and a beautiful new kitchen. Any kitchen is central to everyday life, and this one is a showpiece with gloss white cabinetry, a stone benchtop, a full-height tiled splashback, stainless steel appliances, and excellent task lighting. There is an exceptional amount of storage, including a generous island bench with a beautiful timber benchtop, which perfectly connects the kitchen with the living areas. All bedrooms are double-size and offer plush carpets and new blinds, with two also offering built-in robes. There are two bathrooms that each deliver luxury inclusions such as large-format floor-to-ceiling wall tiles, shower rooms with rain shower heads, and one with a private toilet cubicle, making it ideal for sharing. Connected to the kitchen through sliding doors and with over 30m² of covered area, the outdoor alfresco could easily have a lounge area as well as a separate dining area to cater for even your largest gatherings! The backyard is a fabulous open space with ample room for the kids and pets or your next project in the large, powered shed. The established mandarin tree could be the beginning for more citrus trees or the veggie patch of your dreams – you will not be limited by space! There are great parks and sporting facilities within easy walking distance, local primary school, and the bus is only 250m away to the train station plus the excellent local shopping options all combine to make this the complete family package. Available: Approx. 25th July 2024 Lease: Minimum 12 months Pets: Considered upon application Special conditions - The kitchen cooktop requires induction cookware/crockery only.
