This stunning home exuding beautiful cottage vibes with all the modern comforts of an updated home. The open plan living area seamlessly opens to the back veranda to extend the living area to the beautiful outdoors. A modern kitchen, the renovated bathroom and three spacious bedrooms, and the beautiful outdoors make it the perfect home. The main bathroom is freshly renovated, with two sinks and a shower and bath combination. The front garden is fenced and established plants offer privacy, making the verandah the perfect spot for a morning coffee or tea. Stepping inside, beautiful timber flooring flows throughout the home.. The spacious master bedroom sits next to the two minor bedrooms, currently set up for children, all featuring built-in robes. The kitchen features enough space to cook up a storm with an induction cooktop. Step outside into the enchanting verandah, extending the living area. With the established veggie patches and ample space for children to play, surrounded by established trees the back garden offers a sanctuary for everyone. Don't miss the opportunity.
