Renovated Family Home, Detached Bungalow and Room for Further Development

Discover the perfect blend of style, functionality, and breathtaking views in this beautifully updated two-story home. Offering 3 to 4 bedrooms, each oriented to capture stunning vistas of the mountains and city skyline, this property is designed to impress.

The home features two renovated bathrooms and a stylish, practical laundry that add a modern touch to daily living. The updated kitchen boasts an open-concept layout, seamlessly connecting to the dining and lounge areas, and flowing out to an elevated entertaining deck-ideal for soaking in the panoramic views.

The master bedroom comes complete with a walk-in closet, while the secondary bedroom offers generous storage. The third and fourth bedrooms provide flexible spaces that can easily double as a second living area or a home office, catering to your lifestyle needs.

Step outside to a landscaped rear garden, where an elevated courtyard, deck, and built-in outdoor bath create a private oasis. Additionally, a rear bungalow offers the potential to be transformed into a secondary studio, workshop, or recreation space, providing even more versatility.

The expansive front yard offers exciting potential for further development, with the possibility to construct a new residence, adding significant value to this already impressive site.

This home is not just a place to live-it's an opportunity to create your dream lifestyle with endless possibilities.
