Unique and Stylish

This stylish family home sits in the very popular Park View Estate on a 722m2 allotment.

The home the large master bedroom sits at the front of the home and provides a luxurious ensuite with a huge shower, custom tiling and a very generous walk-in robe. The remaining three bedrooms are all a great size, they are located at the rear of the home in their own separate wing along with the large main bathroom, providing good separation from the living areas, making it a perfect setup for a large family.

The heart of the home is the open plan kitchen living and dining area, with a beautiful light filled kitchen, boasting stone benchtops throughout, 900mm gas cooktops with electric oven and large walk-in pantry with custom shelving. All of it overlooks the dining and living area and flows effortlessly to the outdoor entertaining area.

The second living area is the perfect spot for your work from home setup, kids' playroom or media room.

Outside the large, decked area and fire pit area provide multiple entertainment options, and the large rear yard has more than enough space for the kids and pets, and plenty of room for a pool.

With heaps of extra features, such as a custom timber feature wall in the open plan area. Beautiful arched entrances to the hallways and pantry, automatic sprinkler system front and rear, side access and a Solar power system. This beautiful family home will grab your attention the moment you step through the door

Currently under lease until 20th Dec 2024
