If you're searching for a home that ticks every box on your family's wish list, and then some, this impressive single-level property in Somerset Park is must-see. Set on a sprawling 1100sqm block, this Domaine Homes-built beauty offers space, style, and incredible features. With three separate living areas, an executive home office, and four generously sized bedrooms, there's room for everyone to spread out and enjoy their own space. The centrepiece of the home is the beautifully renovated kitchen, fitted with high-quality appliances making it perfect for family meals or entertaining friends.

But it doesn't stop there. Step outside and you'll find a covered alfresco area and your own Bali-inspired hut, complete with a TV and fan, making outdoor entertaining effortless. The saltwater pool, complete with a waterfall and surrounded by palms, is heated for year-round fun and privacy, ensuring it's a family favourite. And for all your parking, hobby, and storage needs, there's a double garage, a 6.6m x 6.6m shed, and space for both your boat and motorhome.

One of the true highlights for families is the direct access to Featherwood Reserve through the back gate. Your kids can take a quick stroll to Somerset Park's sporting fields, and you'll be the go-to spot for post-game swims and hangouts by the pool.

Living in Somerset Park is all about quality and convenience. Stock up on groceries at the nearby Coles or take a 10-minute drive to Stockland Greenhills for all the big-name retailers, specialty stores, dining options, and even a Hoyts cinema.
