## **Great Home to Renovate!**

This has been home for 60 years and now is ready for someone to make their own and bring back to its former glory!

With 4 well-sized bedrooms with built-in wardrobes, the kitchen/dining is open plan and leads down a couple of steps to the laundry and a second toilet!

It is quite a spacious home with a family bathroom and separate toilet. It has high ceilings which make the home cooler!

The block is 890 sqm and is fully fenced with a double carport and shed, plenty of room for the veggie garden!

Within walking to Mount Pleasant Shopping Centre and Tavern. This one will go quick so see you at the open home!
