Its not every day a near level block of this size comes along for sale, with a colonial style home resting it the middle, 3 bedrooms and 2 internal living areas as well as a huge full length rear pergola with built in BBQ.The block has possible subdivision potential (subject to council approval) or maybe you have a boat caravan or truck you need to store. Maybe remove the home and build a grand mansion the possibilities are many.But do yourself a favour and come have a look.
