\$780,000

This stunning 6 year old home was built by Smartcube and initially used as a display before the current owners took possession. Now you have the opportunity to immerse yourself in this delightful haven. From the moment you step through the extra wide front door, your cares are caressed away by the tranquillity and space that this home exudes. The hall is wide and high with the latest in lighting and fittings and the rooms immense and welcoming. The home consists of three main bedrooms, with the media room available for additional accommodation should it be necessary. The master suite is accompanied by an expansive ensuite. The kitchen is well appointed and will delight the yearning chef. Ducted air conditioning is ready for your convenience. If the double garage is insufficient for your needs, then the single lockup shed through the side entrance should cater for the extra room. There is so much home on this 640m² flood free block in one of Gympie's newest estates. Inspection strictly by appointment only. We do not accept responsibility for the accuracy of any information. Interested parties should make their own enquiries in order to determine the accuracy of this information. Intending purchasers should seek legal and accounting advice before entering into any contract of sale.
