Beachside Bungalow

From the moment you arrive and take in the meticulously manicured front landscape, you'll sense that something truly special awaits.

This charming beachside bungalow is situated in a quiet cul-de-sac, just a short stroll to Cannonvale Beach. Over the past five years, it has undergone a careful and thoughtful renovation.

The pool area is reminiscent of a luxury hotel, featuring elegant stone tiles and a serene water feature, all set in a private oasis with timber screens and palm trees. It seamlessly connects to the rear all-weather entertaining area, perfect for al fresco dining and hosting guests.

The home exudes tranquillity with its neutral tones and Scandi-boho vibe. The modern, functional kitchen is bathed in natural light from the large servery window and glass doors.

The open-plan living area is versatile, offering a space that can be adapted to your family's needs. The home includes three air-conditioned bedrooms, one of which is currently utilized as an office, and a large attic for additional storage.

With off street parking for at least two vehicles and room for a trailer, the rear of the property also accommodates a small shed.

This home is located in a highly sought-after area, within close walking distance to the school, tennis courts, dog park and the scenic boardwalk that leads to Coral Sea Marina and Airlie Beach. It would suit the astute buyer looking for a low maintenance property in an excellent location.
