Sitting high on the hill overlooking the very popular coastal hamlet of Seaspray, is this almost 2 acre parcel of land, with a 3 bedroom, 1 bathroom home lucratively leased as an Airbnb getaway.

The house is a low maintenance open plan living with timber floors, 3 generous size bedrooms, modern bathroom with separate shower, bath and toilet, there is a European laundry, split system air conditioner, solid fuel heater and extensive outdoor decking to take in the views of the ocean.

Outside the property has room for 3 vehicles under the carport, children's play fort with slide and plenty of room for vegetable gardens etc.
