\$750,000 to \$780,000

This stunning 3-bedroom, 2-bathroom residential house at 18 Poole Way, Lucas is a game-changer for seniors. Designed with their needs in mind, this home offers a new concept in comfortable and independent living. With cutting-edge features and a stylish design, it truly needs to be seen to be believed. Step inside and discover a world of amazing features that are sure to enhance your quality of life. From the scooter bay in the garage to the level entrances throughout, this home has been meticulously crafted to make everyday living a breeze. The wet space bathrooms are not only practical but also exude style, while the spacious doors and entries easily accommodate wheelchairs and walkers. Special switches and power points at usable heights further enhance the accessibility of this home. But it doesn't stop there. The kitchen boasts innovative appliances, including a swinging oven door and rangehoods that start heating immediately when a hotplate is selected. Additional features such as a video doorbell, panic buttons, and large phone access add an extra layer of convenience and peace of mind. With so many special design elements, you have to see it to believe it. There are grab rails incorporated and the hardware for lifting devices already in place. Beyond its impressive accessibility features, this home is also undeniably stylish. From the modern finishes to the attention to detail, every aspect of this property exudes elegance. You'll be proud to call this home your own. If you're ready for a better way to retire and want to experience the epitome of comfortable living, don't miss the opportunity to view this fabulous home. Call now to schedule a private showing and see first hand how this home can transform your retirement lifestyle.
