This lovely light and bright residence offers much more than meets the eye and boasts a tightly held court location. Set on a generous allotment, the solid brick veneer home features a large entrance leading to a formal dining room and sunken lounge which enjoys a lovely garden outlook. The timber kitchen is spacious and adjoins a meals area, plus there is a separate cosy sitting room that could also be used as a home office. The master suite features a well-appointed ensuite with spa bath and there are two further bedrooms that share a Jack and Jill bathroom. Other notable highlights of this outstanding property include split system air conditioning, an abundance of storage, bay windows and quality fitting and fixtures throughout. Outside is an absolute treat with beautiful, landscaped gardens, low maintenance yard, small garden shed, large double carport and an outdoor undercover area. There is so much to like about this property, that only on inspection will it be truly appreciated. Contact Matt Cutler on 0438 356 761 today.
