This oceanfront multi level coastal home is north-east facing and is ideal for alfresco living. It has multi levels, making it versatile for those with larger or smaller families. This home is private and full of character throughout. With its exposed beams, multiple living areas and coastal feel throughout, it is ideal for someone wanting to live the relaxed beaches lifestyle. Minutes walk to the beach, close to restaurants, cafes and transport. - Panoramic views from every level of the property - Spacious lounge with exposed beams leading to covered deck - Three different living areas throughout the levels - Main bedroom with ensuite and views - Three bedrooms on lower level - two with breathtaking views - Study area located on upper level - Two single garage spaces with internal access - Available with some furniture if needed, or can be removed
