Modern Comfort, First-Class Convenience

This delightful three-bedroom, one-bathroom, three-car jewel offers all the creature comforts and conveniences needed for young families and first-time homeowners. Proudly perched on a generous 482m² approximately, in a coveted Thornbury streetscape and offering growing families exciting prospect to expand its current footprint (STCA).

Framed by an elegant picket fence, charming weatherboard façade, manicured front gardens and a gorgeous undercover porch, all blending to create the ultimate street appeal.

Step inside and be met with two spacious bedrooms each adorned with sizable wardrobes and street facing views.

Flooded in natural sunlight through clever architectural designed windows a radiant living domain includes a flowing living, dining and galley kitchen for uncomplicated family connection and carefree hosting. The stylish kitchen showcases Chef cooking facilities, dishwasher, chic cabinetry and spacious meal preparation counters to appease the home's cook.

The living wing enjoys seamless access to a tranquil, brick-paved outdoor haven, boasting two spectacular undercover dining and entertainment areas for year-round enjoyment and enhanced with established plants and trees with lush lawns for children's playtime bliss.

If this wasn't enough to seal the deal a brick pathway leads you to a multifaceted room separate to your home perfectly suited as a home office or private retreat.

Further compliments include high ceilings for elevated elegance, modern window furnishings, polished floorboards, stylish family bathroom with toilet, vanity and shower, family sized laundry, ducted heating, wall air-conditioner and three-car driveway parking with secure gates.

The incredible position places you footsteps from High Street's cosmopolitan cafes, boutique shopping and CBD bound transport district, Northcote Plaza, All Nations Park, Penders Park, St Mary's Primary School, Thornbury Primary School, Thornbury High School, Thornbury Station, local bus lines and swift freeway access.
