Positioned in a quiet leafy pocket, this three-bedroom family home offers an exciting opportunity on approximately 559m² of prime north-facing land. A neighbourhood highly desired by families for its easy walkability to schools and parklands, this is the perfect lifestyle setting to revive and modernise this mid-century charmer with a value-adding makeover, or start afresh and build your brand-new luxury showstopper (STCA.) Behind a private high fence and infused with sunshine, this classic gem welcomes you with an open plan living and dining space framed by floor-to-ceiling windows, accompanied by an original neat kitchen. Separate from the living zone you'll find three good-sized bedrooms, sharing the retro family bathroom. A large laundry, split system, multi-room bungalow, ample parking behind secure gates and big backyard round off this much-loved home. Mere footsteps to the playground reserve, bus stop and Austin Road's popular shopping strip for the utmost in daily convenience, this prized locale is in walking distance of local schools, childcare and sports reserves, plus moments to pristine beaches, the train station and freeway access.
