If you want to escape it all and really, truly, feel relaxed, you're going to absolutely love this fabulous acreage only 20 minutes from town. Blessed with a very cute, three bedroom Queenslander style cottage, you'll either spend the majority of your days sitting on the beautiful timber deck taking the serenity in, or you'll find yourself at Charlie's Bar and Bistro out the back around a fire or having a beer with mates. You can't help but feel the emotion of this property and it doesn't stop with the home, but flows through the gardens, the sitting areas, the time that has been spent getting everything right and the fact it is a mix of trees and relaxation and also the opportunity to ride a bike, work in the shed and enjoy what 5 acres has to offer. There is a seasonal creek that runs by the home and the property is watered by a bore that never runs dry and has pop up sprinklers all over the yard. The 15m x 9m shed has a 2 post hoist and lathe which will stay with the property and is perfect for those wanting to store cars or a boat and also all the usual gear you'll have or need on a property. This is like a tranquil oasis and can only be appreciated on viewing and walking around this beautiful acreage. There is so much to enjoy and take in, but to truly feel what this property has to offer, we look forward to showing you through.
