Bayside Sanctuary Opposite the Pittwater Waterfront

Architecturally designed and masterbuilt, this spacious family home has been designed to make the most of the East-facing aspect and Pittwater views. Positioned on an 822 sqm block, with landscaped gardens, multiple entertainment areas and sparkling pool, this tri-level home offers a flexible and spacious floorplan to suit multi-generational living or working-from-home requirements.

With five large bedrooms, including a self contained ground floor studio, there are also several living areas, perfect options for home office, kids rumpus and home gym. Set opposite the Pittwater waterfront and Bayview tennis courts, and just moments to local eateries, boutiques and shops, this home epitomises indoor / outdoor living and offers laidback bayside living at its best.
