Family Living In A Family-Friendly Pocket

Expressions of Interest: Offers Close Monday 9th September at 4:30pm (Unless Sold Prior)

Set on a generous 722m² allotment (approx), just a few minutes from the educational, recreational, shopping, dining and professional service options Whittlesea has to offer, this spacious home delivers the modern family everything they are looking for.

Showcasing a practical, free flowing floor plan on one single-level from the front door to the expansive alfresco anchoring the easy-care rear yard, the interior introduces a spacious lounge finished with timber floors and complemented by a formal dining (ideal as a study if desired) and a spacious living-meals.

Reaching out from a kitchen appointed with stainless steel appliances and featuring a large breakfast/preparation bench, it provides plenty of space for the family to enjoy. Sliding glass doors introduce an enormous outdoor entertainment area. Covered, featuring a stand-up bar table, open fireplace, and BBQ under a range hood, and measuring 90m² (approx.), it will easily cope with any outdoor event!

Enjoying its own space at the front of the house, the main bedroom, complete with a walk-in robe and ensuite, is complemented by three further bedrooms. Generously proportioned and fitted with built-in robes they share a spotless family bathroom at their own end of the house.

Notable features include ducted heating and cooling, timber floors in the living areas, a video intercom at the front door, a double garage with fitted shelving and remote doors front and rear, a laundry with storage, and a range of fittings and fixtures for the mobility impaired.
