\$1,350,000 +

This rare and exceptional dual-residence property offers endless potential for investors looking for substantial returns or extended families yearning for space and flexibility. Situated on a single block in the highly sought-after and bustling suburb of Giralang, this property presents two separate homes, each with its own distinct charm and modern appeal. The front home boasts three spacious bedrooms and has recently undergone thoughtful updates, blending contemporary style with classic comfort. It is the perfect move-in-ready space for a family or ideal for tenants, offering a seamless living experience with its well-designed layout and modern finishes. Tucked away at the rear of the property, the second home was built just 6 years ago and offers a sleek, low-maintenance living space with two well-proportioned bedrooms. Designed with a fresh and modern aesthetic, this newer residence provides a tranquil retreat. Whether you're an investor seeking to maximize your returns with dual rental incomes or a multi-generational family looking for the perfect living arrangement that offers both space and privacy, this property delivers on all fronts. The front residence of this dual property has proven to be a lucrative investment, generating an impressive gross income of \$52,060.60 for the current financial year. Meanwhile, the rear residence has outperformed expectations, bringing in \$55,608.40 in gross earnings over the same period. Together, these two homes have yielded substantial returns, making this property an outstanding opportunity for investors seeking consistent income and high rental demand. The potential for strong, reliable earnings is undeniable, adding to the overall appeal of this unique investment opportunity. With its prime location in the heart of Giralang, you'll enjoy the convenience of a central position close to local amenities, schools, parks, and shopping centers, making this an even more attractive investment. Live in one home and rent out the other, or fully capitalize on the strong rental demand in the area—this is a property with limitless potential for the astute buyer.

Features Include:

- Stunning dual-residence property
- Total of six bedrooms across both homes
- Three modern bathrooms
- Solar power systems: 5.5KW for the front house, 6.2KW for the rear house
- Energy-efficient with 2x 5KW batteries for the front home and a 5KW battery for the rear home
