Impeccably presented inside and out, the spacious interior shares the generous 925m² corner allotment (approx.) with established gardens, a vast undercover entertainment area and two double garages. One opening from Crest Street introduces a summer kitchen, the other, accessed from Forest Street features a full bathroom. Both boast the convenience of a rear roller door. In a layout perfect for everyday family living and entertaining, glossy parquet floors are a highlight in the main bedroom, complete with a walk-in robe and ensuite, a home office, expansive lounge dining and a versatile rumpus room. Easy care tiles feature in the generously proportioned family living-meals that extends out from the timber kitchen and opens to the alfresco area. Tucked to the rear of the house are three further bedrooms, all finished with robes and timber floors and sharing a spa bathroom.
