Perfectly located just a 5-minute walk from Port Hedland Primary School and a 50 metre walk from the local park, this wonderful home centres around convenience with everything you need right on your doorstep.

From the front, the home boasts great street appeal thanks to the modern raked carport and low-maintenance front yard with plenty of lush green grass. The carport has room for two large vehicles with a separate driveway for additional vehicle, boat or caravan parking.

Light and bright, the tiled interior boasts spacious open-plan living and dining areas with built-in feature TV cabinet and plenty of natural light flowing through. At the heart of the home is a spacious modern kitchen, complete with a freestanding stainless steel Chef's oven and cooktop, stone countertops, overhead and under bench cupboards and plenty of bench space.

Other key features include the stunning main bathroom with separate shower and spa and dual vanity, big separate laundry with built-in cabinetry, timber window blinds, modern downlights, ceiling fans, air-con and more!

The home itself boasts 4 good-sized carpeted bedrooms, all with built-in robes and air-con, including the spacious Master complete with wall-mounted TV and private ensuite.

Seamlessly blending indoor/outdoor living, the expansive paved undercover alfresco area is purpose-built for entertaining, overlooking the expansive, low-maintenance rear yard. There's plenty of lush green grass for the kids and pets to play and a beautiful below-ground pool, perfect for cooling off all year round. The large powered workshop/shed offers plenty of storage options and the perfect space to work on your next project.
