Generosity of space meets quality of finish in this designer central Googong family home, offering unbeatable position in the heart of this ever-popular family oasis, surrounded by parks and reserves, and just a short walk to shopping, schools and foreshore. Wooden floors, clean lines and contemporary tones set the scene for comfortable, light-filled living and entertaining, with an open plan living and dining space downstairs, connecting to both the kitchen and alfresco patio, as well as an upstairs formal lounge offering even more versatility to accommodate any family dynamic. The entertainer's kitchen is central and connects perfectly, offering a butler's pantry, stone benchtops, eat-at island bench, induction cooking, tiled splashback, and an abundance of storage behind designer, two tone cabinetry.

The main suite is privately set downstairs and is resort style in proportions, enjoying both a walk-in robe and bespoke ensuite, complete with stone top floating timber vanity, floor to ceiling tiling, recessed shelving, and frameless rain head shower. Upstairs, the main bathroom offers the same quality finish and is also complimented by the welcome addition of a bathtub and convenient separate toilet, easily servicing the 3 additional bedrooms, all with built in robes. A double lock up garage with internal entry, internal laundry, and plenty of additional storage complete this beautiful family home, with a long list of features and a welcoming ambiance that must be experienced first-hand to truly appreciate.
