Don't miss out on the chance to own this stunning home in the coveted location of Macona Crescent, boasting breathtaking panoramic views of the Whitsundays. This property presents a rare opportunity for buyers to create their own masterpiece by capitalizing on its original condition. The upper level of this spacious property features raked ceilings and an expansive floor plan that includes large living and entertaining areas, including two living rooms and a generously sized covered deck on the top floor, ideal for entertaining guests throughout the year. All three bedrooms on the top level come with built-in robes and access to a rear deck that wraps around the entire north face of the home. The kitchen area is conveniently located and serves as the heart of the home, with easy access to the dining room, back deck, and front yard pool area. The property also features a large storage room, originally designed as a cyclone shelter, complete with a kitchenette and bathroom, accessible via internal stairs. An additional garage is located on the lower level, and two workshop/storage rooms are featured under the house. The landscaped 1515sqm block is surprisingly level and usable, considering the home's elevated position. The front yard boasts a large concrete inground pool, while the back offers plenty of play area for kids. The property also features side access, allowing for easy entry into the backyard with a small boat or van. This home is located in a highly desirable area due to its stunning sea views, proximity to local schools, shops, parklands, and boat ramp, as well as the high calibre homes in the street. Experience the best of Whitsunday living with this remarkable property.
