This spacious home is perfect for you and the family. Situated in the heart of Clontarf, walking distance from the beachfront, schools, public transport, local shops and more, this property is where you need to be! The whole home is located upstairs, with downstairs offering copious storage space perfect as a workshop, but also offering additional tandem car parking for trailers, bikes, and more. You will enjoy the oversized rooms throughout with huge open plan living space, extra large galley kitchen, and bedrooms double the standard size! Both bathrooms are large with space for extra cupboard storage everywhere, no shoebox bathrooms here! Great family bathroom with a tub for the littlies, or for your own relaxation, and separate toilet to keep the arguments to a minimum! Two bedrooms offer access to the large deck at the back, but also accessible for guests without having them through your bedroom! All bedrooms offering great built in robes. Carpeted bedrooms for added comfort, and ceiling fans installed. Windows are fit to keep open and allow that beautiful ocean breeze in, with screens installed. Also brand new blinds throughout to offer privacy. But this home is best enjoyed on the deck or under the large shady tree. If you are outdoorsy this is the one for you. There is also additional outdoor living space underneath the deck, in a covered area which would be perfect for a pool table. And don't forget the fully fenced yard, to keep your furry friends and kids contained and safe. Features Include: * Three generous sized bedrooms with built in robes * Master bedroom has private ensuite and access to deck * Polished timber floorboards, carpet to bedrooms * Ceiling fans throughout * Family bathroom with a tub * Ample kitchen storage + dishwasher included * Laundry with great space for extra storage * Deck & entertainment area * Additional storage space downstairs * Lock up single garage with extra parking space * Compost bins * Fully fenced spacious back yard * Pets considered upon application
