Beautiful Semi-detached Home Balancing Original Character With Tasteful Recent Renovations

Tucked away privately, this gorgeous full brick semi-detached residence captivates with its harmonious fusion of original Federation character and stunning recent renovations.

The inviting layout centres around an open plan living/dining zone extending the upper timber deck with scenic leafy outlooks while multiple skylights deliver a beautiful sun-drenched atmosphere. The gourmet Caesarstone and gas kitchen flaunts a Smeg oven and island breakfast bar and the lower level reveals a second living area/rumpus with bathroom and study nook, ideal for a guest/teen retreat. A marvellous all year entertainer, the home reveals a second north facing covered deck blending to the charming garden with cosy firepit area. Generous bedrooms have built-in robes and tall ceilings plus there is a stylish bathroom with dual rain showers, seamless wide oak timber floors, a marble edged gas fireplace, ducted air conditioning, heated floors in bathrooms, a European laundry and automatic carport with ample storage.

Of incredible convenience, it's a leisurely walk to Mosman Village and express city buses, 200m to Bridgepoint plus moments to schools and Balmoral beach.
