The Brief: The Pinnacle of Pindara Living

Generous family living without compromise in one of Pindara's most esteemed positions. Big on space and style with a high-quality contemporary touch, this 5-bedroom, 4-lounge home presents a growing family's every want and need for a matchless lifestyle.

An impressive gallery hall flourishes across hardwood floors into the main of three large and separate ground-floor living spaces, perfect for the family who craves their own space. A wood combustion heater adds warmth in the winter, with timber bi-fold doors making entertaining a breeze in the summer, opening to a covered terrace from both the family room and the rear-set rumpus.

A stone-topped kitchen features quality appliances and a walk-in pantry, ready for the most lavish feasts for the most extended guest lists. When evening calls, the ground-floor main bedroom is a welcoming space with its alfresco integration, twin-vanity ensuite and dressing room, with four bedrooms on the upper floor around a fourth living space and a central bathroom.

Additional features include a 6.0 x 6.0m (approx.) workshop, ducted heating, split-system air conditioning, evaporative cooling, solar power, integrated audio, instant hot water, quality window furnishings and a double garage.

It's Addressed: 19 Pepperbush Crescent, Langwarrin is big on space, style and family appeal. Homes of this calibre don't come around often - contact your Area Specialist, Daniel Robinson, for more information and an exclusive viewing.
