Superior Single Level Beachside Living

Perfectly positioned just moments from the Mount Martha foreshore and walking trails, this superb single-level home offers privacy and comfort in a spacious well considered design. The spacious open plan living/dining features a raked ceiling that allows natural light to fill the space and there is a cosy gas log for those chilly evenings. A well-fitted kitchen will delight avid cooks and is highlighted with Smeg stainless steel appliances, an extra-long island bench and ample storage including walk in pantry. Master bedroom with WIR & ensuite, 2 further bedrooms with built-in robes. The large double garage includes built-in storage cupboards with sliding doors and a study area. Step outside to a fully covered alfresco deck complete with blinds to provide year-round comfort and an established low maintenance garden with lawn area. Perfect for downsizing or ideal for busy couples, this beautifully presented home will not disappoint.

Further features include:

- * Split system air conditioners in bedrooms & living area
- * Gas log fire
- * Solar Panels
- * Double glazed windows & doors
- * High ceilings
- * Alfresco entertaining deck with blinds
- * Water tank
