Stunning Family Home with Breathtaking Water Views in Exclusive Ormiston

Discover resort-style living at this beautifully renovated, double-level family home nestled in a quiet cul-de-sac with captivating water views. Positioned in the prestigious suburb of Ormiston, this home offers an unmatched lifestyle for the family, combining luxury with comfort.

Upon entering, you're welcomed by a stylish living area with sleek stone tiles, recently upgraded ducted air-conditioning, and a cozy fireplace—perfect for all seasons. The gourmet kitchen is a chef's dream, featuring expansive stone benchtops, a breakfast bar, and top-tier appliances, including a 900mm SMEG oven, Bosch dishwasher, and a walk-in pantry (with built-in USB charging ports for convenient phone charging without cable mess), all bathed in natural light from new skylights.

The ground level offers a comfortable double bedroom and a home office, both with plush carpeting, built-in wardrobes, and new ceiling fans (installed throughout the home). The newly updated family bathroom and separate laundry with ample storage make daily routines a breeze.

Step outside to the expansive covered entertaining deck, complete with a built-in BBQ, overlooking a sparkling pool, hot tub, and a waterfall feature. The kids will love the flat lawn and cubby house, while the fully fenced backyard offers the perfect space for family gatherings or peaceful relaxation.

Inside, a dedicated media room with projector mount, wall speakers, and soundproofing delivers a true cinema experience. A built-in cabinet keeps all media equipment neatly tucked away for a clutter-free space. A spacious rumpus room is equipped with BOSE ceiling-mounted speakers, which are also installed in the living area, the entertaining deck overlooking the pool, the upstairs balcony, and hidden within the garden, ensuring seamless audio throughout the property for an immersive entertainment experience.

Upstairs, the master suite offers a luxurious retreat with a private balcony overlooking the water, a walk-in wardrobe, built-in USB charging ports, and a stunning ensuite with a separate bath and shower. Three additional double bedrooms (each with new ceiling fans) share another beautifully designed family bathroom, while a separate laundry chute adds a practical touch.

The home also includes a triple lock-up garage, additional carport, security screens, and external security cameras. With modern conveniences such as CAT6 cabling to every room, a Telstra signal booster for excellent mobile reception, and access to HFC NBN, you'll stay seamlessly connected.

Located just steps from the water, 19A Beckwith Street is close to parks, top-rated schools (Ormiston State School, Cleveland District High, Ormiston College), and Ormiston train station for an easy commute to Brisbane. Enjoy weekends at Raby Bay or Wellington Point, with easy access to Stradbroke Island.

This is more than just a home—it's a lifestyle you'll never want to leave!
