Enjoy being able to move straight in and simply start living thanks to the sparkling interiors of this stylish family home. Positioned in a sought-after area that spoils with an array of amenities as well as zoning for nearby Cheltenham Secondary College, it offers spacious freshly painted accommodation on a manageable block of newly landscaped land. Stand along sunny home with no common property and its own frontage and driveway featuring sleek new full boundary fencing and an auto gate securing large sunny front garden, a decked entrance reveals new flooring that flows past a fabulous stretch of storage to the open plan entertaining zone boasting built-in cabinetry of its own - behind a sliding door, a very functional study/office area awaits complete with fitted desk.

The stone kitchen is crisp & fresh and features quality appliances including a Bosch dishwasher, while extending the living into the northern sunshine, the sheltered alfresco deck and neat low maintenance landscaping offers scope to relax and dine with friends. Three bedrooms are a real bonus, each one a very generous double with plenty of fitted wardrobing, the supersized master also with a luxe ensuite with skylight above oversized walk in frameless shower and twin stone vanity. Including a modern family bathroom, an additional WC off the laundry and new window furnishings there is also ducted heating, three split systems and two off-street car spaces.

Steps to the local shops, close to bus stops, childcare and Waves Leisure Centre, this brilliant position is also moments to Southland, its station and attractions.
