IT'S ALL ABOUT LOCATION!!

Centrally located this beautifully renovated Victorian home is sure to appeal. Situated in a sort after location that's close to cafes, restaurants, Bendigo Hospital, Bendigo Tennis Centre and living on the door step of Lake Weeroona, does it get any better?

The front of the home features the original Victorian home with many period features on offer - baltic pine flooring, high ceilings and generous proportioned rooms. The home has been upgraded and updated in all the right areas, while remaining sympathetic to the past.

Step inside and enjoy three generous sized bedrooms, at the centre of the home is where you will find the large main bedroom with built-in-robos, this adjoins a central modern bathroom that's bright and spacious. A separate lounge with wood fire leads to a spectacular recently updated kitchen. This is a true entertainers haven, as the living continues outside thanks to a wide timber lined undercover alfresco that spans the entire width of the home, making an ideal space for gatherings.

The property is a great home for singles, couples, young professionals or downsizers wanting a low maintenance lifestyle and the ability to leave the car and enjoy the best of Bendigo has to offer.

Don't miss you chance to make it yours!
