Perfectly located in close proximity to all amenities sits this immaculately maintained three-bedroom home. A spacious family living area with ample natural light adjoins a large open plan kitchen / dining zone featuring gas appliances and plenty of cupboard space. The three double bedrooms are all full size and each includes built in robes. A gleaming central bathroom and separate toilet service the home superbly. Set on a low maintenance allotment with neat & tidy gardens, it includes a rear covered outdoor area ideal for entertaining friends and family plus a garage that has been converted into a home office and a car space for off street parking. Extras include split systems in the living area and master bedroom and roller shutters on all windows. In an ideal location only a short stroll to schools, public transport, shopping and cafes, put this one on your must see list.
