\$530 per week

In a great, central location, this two bedroom townhouse has enough space for those still working from home. The open-plan living/dining/kitchen opens to a spacious outdoor area. The garage has roller doors both side to maximise the outdoor living possibilities. Rounding out the ground floor is a bedroom with large WIR and ensuite which doubles as the accessible bathroom. Upstairs is a huge second living area, bedroom and second bathroom (complete with bath!) and air conditioner. Remote controlled garage parking for one car. Contact Gabriel Mercuri to inspect. It's a really great property.
