Situated on an easy low-maintenance sized parcel of land, is this attractive and well-maintained 3-bedroom cottage with study. Built in 2012, this property has the look of yesteryear, though impeccably maintained. With an open-plan living design including cathedral ceilings and split-system, sliding door to the side veranda, a well-appointed kitchen, separate study, master-bedroom with BIR's, central two-way bathroom & separate toilet. With a gorgeous front and side veranda, offering plenty of shade and character. This property could make a smart investment or a great place to call home! Will impress at any inspection.
