An impeccable home, long held and loved by the family who built it around thirty years ago, this elevated abode is an assured haven crowned by city views. Overflowing with living spaces, it's a natural entertainer and perfectly situated for the thriving family. A wealth of welcoming spaces begins with flowing formal living and dining rooms, complementing a fully equipped kitchen, meals area and family room with open fireplace. Outside, a covered entertainer's deck promises delicious alfresco dining and the productive garden hosts a wonderful range of fruit trees including lemon, plum, peach, fig, avocado and more. Take in fireworks displays over the city skyline from the comfort of the retreat area and two of the four bedrooms, including the luxuriously expansive main with walk-in robe and spa ensuite. All bedrooms host built-in robes, the shining family bathroom has a shower and separate bath, plus there's a two-stage powder room near the study below. Complete with heating, cooling, elegant floorboards and garden sheds, it's a practical place with plentiful parking highlighting an automatic double garage with direct interior access. Near top schools, including St Bernards College and Penleigh & Essendon Grammar, within the Keilor Heights Primary and Rosehill Secondary College zones, it's ideally close to everything from transport to invigorating river trails, parks and Milleara Shopping Centre.
