This fantastic brick residence will suit all investors and all those seeking a fine permanent home. The land size is impressive with all land on the left side buffering tank hill meaning no neighbours to the left. The home offers 3 well sized bedrooms, 2 well appointed bathrooms, large open plan living area, great laundry with loads of storage plus stunning kitchen. All fully complimented with natural gas connection, ducted gas central heating, reverse cycle heating and cooling, dishwasher, double electric garage plus the ability to park more vehicles in the third parking bay.
