Harley Street has a long standing as a cherished locale renowned for its convenience and natural charm. Lined with majestic gumtrees and offering peace and quiet, this neighbourhood has a welcoming ambience, enhanced by its quality of housing and variety of tasteful designs. Key to the appeal of Harley Street is its proximity to popular commercial hubs and public spaces. Such as Harley Street Café, Strathdale Park, Kennington Reservoir, Kennington Village, Strath Hill, and Strath Village. Crafted by the highly regarded builders at Lansell Homes, this newly constructed residence showcases superior craftsmanship with higher end appliances and luxurious finishes. Designed for comfort and ease of living, it is ideal for those seeking a lock up and leave lifestyle. A grand raised portico adorned with stained timber and tactile rendered columns sets the tone upon entry through an impressive king-size front door. First impressions of elegance, quality, and space will be lasting impressions. The formal entrance hall introduces the first of the 2550mm high ceilings, practical and beautiful flooring, and warm downlighting. Storage abounds throughout, featuring a walk in robe to the main bedroom, built in robes to the additional two bedrooms, a linen cupboard, broom cupboard and step in pantry. The wonderful kitchen is equipped with a freestanding 900mm dual fuel cooker, double bowl top mount sink, and undermount rangehood. The stone benchtops and designer tapware, usually reserved for kitchens, also grace both the bathroom and ensuite. Connecting seamlessly to the open plan living areas is an under-roof alfresco that overlooks the easy care rear yard. Convenience is further enhanced with direct internal access from the double garage and a personal access door to the yard. Generously proportioned the 6.5m x 6m garage has expansive walls which could be utilised to install extensive shelving for even more storage. This outstanding home offers modern sophistication in a prosperous location, where each neighbouring home reflects pride of ownership that defines Harley Street.
