Expressions of Interest Closing 6th August at 3pm (Unless Sold Prior) Beautiful and lovingly maintained gardens form a calming and relaxing environment for this pretty, 3-bedroom villa unit placed at the rear of only two in the complex set in a most sought-after tree-lined street. Well removed from the street, this delightful home offers a comfortable sense of sanctuary and privacy. A cosy and light-filled home with a welcoming aura, the kitchen is bright and semi-attached to the dining which in-turn flows to the bright separate lounge room, all of which enables the home to offer spaciousness whilst retaining remarkable warmth. The bedrooms each feature robes, whilst the laundry is a genuine room, the bathroom is conveniently separate to the w/c and a car space for OSP. Positioned on one of the area's premier streets, the home is wonderfully convenient to first class shops and cafes on Whitehorse Rd and Union Rd as well as some beautiful local parks. Added to this, there are buses, trams and trains all within easy reach and Box Hill Central is just a few minutes away as well. ****Inspection Strictly by Appointment Only**** Proudly presented to you by Belle Property Blackburn | James Moss 0418 333 676 and Adrian Stefanetti 0488 555 647.
