Nestled atop a rise amidst a small townhouse environment in a tranquil position only a couple of blocks from the Town Centre this beautifully renovated home provides a delightful and refreshing lifestyle option. With an abundance of natural light and treed outlooks from the private rear courtyard this stunning home offers 2 generous sized bedrooms spacious central bathroom, powder room, sitting room with two French doors to verandahs and a lovely well-appointed kitchen including an induction cooktop and pyrolytic oven with adjoining meals area. Another set of French doors gives access to the considered flowering garden around the private alfresco entering space which also includes sheltered access from the single garage with remote roller. The home is serviced by split system ceiling fans and electric cooking.
