Bring your builder, creative vision or a full team of tradies and restore this dilapidated two-storey property to its former glory. There's no denying this once-liveable beauty needs some major renovation work, as the interiors have restricted access, and buyers will have to make the purchase without setting foot inside. It may not be in the best shape, but the bones are here, and if you're prepared to get your hands dirty, this unpolished gem will have an opportunity to shine again.

- Currently a dual-level property with two self-contained levels
- 1 X 2-bedroom ground floor unit and 1 X 3-bedroom upstairs unit
- Worn out interiors are in desperate need of a complete overhaul
- Sunlit back verandah plus a private fenced courtyard at the rear
- An easement up the side with car access and potential parking
- An attractive brick façade will look fantastic when spruced up
- Virtual blank canvas ready for renovators/builders to get creative
- Just 300m to cultural hub at Marrickville Library and Pavilion
- Easy walking distance to the heart of Marrickville's café scene
