This lovely two-bedroom home could be the comfortable property you've been searching for. Imagine kicking back and enjoying the picturesque rural outlook or snuggling up in front of the slow combustion wood fire on cool winter nights. A beautiful front porch leads into an open-plan living and dining room with split system reverse cycle air-conditioning and the slow combustion wood fire for year-round comfort. The kitchen offers plenty of bench and storage space along with a dishwasher and an electric cooktop and oven. Adding further flexibility, the family bathroom boasts a separate bath and toilet while both bedrooms are a good size. There is also a fully enclosed backyard and low-maintenance garden.
