A delightfully spacious and light-filled family home amongst the treetops, just a short walk from the main street of Maleny. Featuring high ceilings and stunning timber floorboards, the open-plan dining and lounge bathes in natural light through high clerestory windows, and opens through sliding doors to an expansive rear deck, which enjoys elevated views over the nearby treetops. The deck is the perfect space for alfresco summer dining, morning yoga, or leisurely afternoons spent relaxing with a cuppa and a good book. There is so much to love about this home and its ultra-convenient location. The well-equipped kitchen offers a 6-burner gas cooktop, oven, dishwasher, and wine rack plus ample cupboards and drawers for storage. There's a main bathroom featuring both a shower and separate bath, as well as an ensuite to the master bedroom - which also boasts a walk-in wardrobe. The living spaces are air-conditioned for year-round comfort, and there are ceiling fans throughout. All doors and windows also feature Crimsafe security mesh for added peace of mind without interrupting the peaceful treetop vistas that may be enjoyed from most parts of the home.
