Beautiful Townhouse Less Than 5 Mins from CBD!

Located just one block from St John of God Hospital and a short 2.5km drive from the brand new Bendigo Hospital, this executive home is a centrally located delight! You'll also be within walking distance of all other amenities and transportation, and the Bendigo CBD is only 5 minutes away.

This property boasts four spacious bedrooms. The main bedroom offers a huge walk-in robe with plenty of shelving and hanging space, as well as a large ensuite with a luxurious extended shower. You'll also enjoy a large balcony with glass sliding doors. The remaining two bedrooms feature built-in robes for additional storage. The central bathroom offers a bath, separate shower, and a powder room with a toilet.

The stylish townhouse also features a large open-plan kitchen and living area with split system heating and cooling, plus an additional living area upstairs, which could be easily converted into a fourth bedroom. The kitchen boasts quality stainless steel appliances, a dishwasher, mirrored splashback, and plenty of cupboards. Elegant hanging feature lights and downlights complement this main living space.

Gorgeous timber floors throughout and quality carpets in each of the bedrooms (and study) create a warm and inviting atmosphere. The exterior of the property is extremely low maintenance, with a timber decking just off the meals area that's perfect for entertaining. The remainder of the yard is landscaped and requires little upkeep. You'll also appreciate the double lockup garage with a single roller door to the rear and internal garage access - the yard is completely enclosed.
