This stunning 5 bedroom, 2 bathroom house located at 2 Aberdeen Place, Townsend is the perfect family home. With a spacious land area of 833m2, this property offers plenty of room for everyone. Built in 2017, this modern home features all the amenities you could want including a fully fenced backyard, outdoor entertaining area and an inground mineral heated pool. Swim throughout winter all year round. Inside, you'll find a beautifully designed home with creature comforts throughout. The whole home has reverse cycle commercial grade, ducted cooling and heating, a dishwasher, stone kitchen bench tops and built-in robes in all bedrooms. The property is also eco-friendly with solar panels back to the grid, energy-efficient appliances and water-efficient fixtures. Those needing room for caravans and boats, the extra space is abundant on this 833 m2 block of land. Families have enough room for the children and the pets have the security of a fully fenced yard. The corner block provides access options which helps maximize the use of the block offering plenty of room to construct shedding and off street parking. What about a workshop on the side of the home? This property has the envious inclusion of 3 phase power connected. Meaning workshop upgrades, welding and other uses for three phase is ready to tap into. Currently leased for \$620.00 per week, the home lends itself to the astute investor looking for a quality long term tenant/tenancy. Whilst the lease expires in September the current tenants would be more than happy to stay on and extend their lease. Located in a quiet Neighbourhood, the popularity of Townsend is growing, with the establishment of schooling from kindergarten to year 12 around the corner, a fabulous shop catering for most needs and amenities like churches and upgraded playgrounds makes for a comfortable emerging suburb.
