Sanctuary

To sum this coastal holding up in one word, it would be sanctuary. This private oasis set across two separate titles offering absolute privacy and a sublime natural bush setting represents something truly special.

The home itself, immaculately presented throughout features a free-flowing, light-filled layout of grand proportions. Main features include: 3 bedrooms plus study, 2 bathrooms plus powder room, 3 living areas, central heating and cooling plus double lock-up remote garage with internal access. A covered portico on entry and broad hallway lead to a light-filled living space and well-appointed kitchen central to the main dining and living that overlooks the truly gorgeous rustic setting of the adjoining allotment. A space that you can let your imagination run wild with what you choose to create here. Currently maintained with numerous tanks and pumps collecting the rain water to feed the grounds at minimal expense, nothing has been overlooked by this fastidious owner with an eye for detail and who has looked after it so well. Put simply, if you are looking to escape the rat race and embrace the Peninsula lifestyle, then look no further. Inspect by private appointment only by contacting Michael Prentice directly on 0417 369 235. You won't be disappointed!
