Nestled on the desirable Kawana Island, this immaculate contemporary home boasts a prime location on the Sunshine Coast, offering unparalleled convenience to all the Coast has to offer. This beautifully renovated family home strikes the perfect balance of style and function. Stepping inside, you'll immediately feel the warmth and comfort of the inviting entry and spacious front living room, perfect as your second living zone, rumpus room or media room. As you progress further into the home, you enter the light-filled heart of the house with the open-plan kitchen, dining, and lounge areas. The contemporary and beautiful kitchen offers ample space for culinary exploration and entertaining, serving as the perfect hub for daily life. Embrace the joys of outdoor living as you step seamlessly from the kitchen and dining area out to the spacious alfresco space overlooking the expansive pool. This beautiful outdoor area, which includes a large grassed yard, takes full advantage of the lifestyle and climate the Sunshine Coast offers. The single-level home ensures ease of flow to each of the four spacious bedrooms while still providing separation for privacy in the large master bedroom and ensuite. Extensively renovated, this home presents as new and the design touches are both stylish and timeless. The ensuite, main bathroom, kitchen, and laundry have been beautifully renovated with designer touches throughout. Don't miss out on the chance to make this your own slice of Sunshine Coast paradise. At Your Fingertips... 2 Antilles is just a 5-minute walk to Double Bay Beach, the dining precinct, hike/cycle trails, and parks. It also offers proximity to endless beaches, shopping centres, schools and the Sunshine Coast University. Effortless coastal living is here for the taking. Highlights: • Contemporary kitchen • Designer touches throughout • Gorgeous ensuite, main bathroom, & laundry • Ducted aircon throughout • Sparkling saltwater pool • Spacious alfresco area and yard • Multiple living spaces • Solar - 13 kwh* Hikvision Acusense security system • Internal access to garage • Walking distance to amenities
