As we come through the raised front porch - upon entry we are greeted by a warmth of family atmosphere and a calming colour scheme, with an open plan configuration, gas heating and A/C making this lovingly tendered home too good to be true.

Flowing through the spacious living area adjacent to an easy to maintain kitchen and dining area that includes 900mm gas cooking & rangehood with separate Oven & Grill for the chef in the family you will notice an extra formal living area with a quaint view of the front yard that has a built-in-bar with a smart servery access from the kitchen to entertain with family and friends.

Make your way down the hall to discover a neat and clean bathroom with toilet, and 3 generously sized bedrooms all with Built in Robes and ceiling fans and Master with full ensuite all ready for the next lucky family to move in.

In the rear we step out onto an expanding lawn area with a continual theme of low maintenance where the kids can play in the back lawn that includes a handy storage shed and built in barbeque plus provision for an extra garage or swimming pool (STCA) great potential for those to make their own stamp to their family home.

Situated in a quiet street location in Keysborough and only minutes from Parkmore Shopping Centre, the Eastlink, reserves and Chandler Park Primary within seconds from your front door; this classic family home is a great opportunity to rest, relax and enjoy or make it your own style- the choice is yours!
