Appealing to large families seeking more space, this wonderfully generous home sprawls over two spacious levels, delivering outstanding versatility and a place for every member of the family to call their own. Positioned on a massive 986.4sqm. parcel bordering leafy parkland, the home impresses with three separate living spaces centred by an attractive modern kitchen. There are also three bedrooms on this main level – or two bedrooms and a teenagers' retreat or home office – while upstairs, four further bedrooms feature, serviced by a modern bathroom on each level. Outside, you will find even more to love, as you take in the gorgeously lush landscaping that makes you feel like you've stepped into your own private oasis. Framed by tropical landscaping and paved poolside lounging space, the sparkling inground pool is another surefire hit, as is the alfresco, complete with BBQ area. Adding further convenience is a third bathroom for pool use, heaps of storage and plentiful parking.
